The matched deposits totaled $1,758.84. MOVE TO APPROVE MATCHED DEPOSITS. Bloxham/Hudson. Objection. Discussion. President Bloxham is not in any of the clubs. He felt like it was a bit of a red flag that Kappa Sigma has already hit the matched deposits limit. He wondered if Finance Committee should continue to fund for club dues. The American Chemical Society had a fundraiser, the Armed Forces Veterans Club had a bake sale, and the rest of the clubs had dues. Senator Son mentioned a possible change in the future. President Bloxham withdrew his motion. Idaho Falls Vice President Thompson wondered if they could hold off on approving matched deposits this week. He wanted to look into the club that held a bake sale in Idaho Falls, since he was unaware of their fundraiser. Vice President Jensen
suggested tabling the matched deposits for a bit. Senator Son wondered if the clubs said what they are going to use the funds for. Finance Officer Tingey said that they don’t specify on the forms. Senator Hudson doesn’t think they should start not approving matched funding for club dues now. She feels that they should give people a heads up. Finance Officer Tingey thinks that Finance should be consistent. They already approved some matched funding that only had dues. Senator Son thinks it is smarter to make the change now versus making changes for next year. **MOVE TO TABLE THE MATCHED DEPOSITS UNTIL NEXT WEEK.** Jensen/Son. Unanimous. **MOTION CARRIED.**
