2. President Bloxham noted they are proposing a check and balance to stipends. Currently, only senators can change the checklists. He wants to allow president’s cabinet as a check. Senator Hudson cautioned him not to keep adding things to their list every week, to keep morale up. President Bloxham stated that was a good point. He would talk to the senators before changing the checklists. Senator Bodily didn’t fully understand the bill when it was first brought forward. He is glad to discuss this. Vice President Jensen wanted to make sure the other senators understand where the bill is coming from. President Bloxham thinks it will be better to come from a senator. Senator Bodily thought that maybe someone outside of the committee could sponsor the bill. It didn’t pass Rules because it was two separate subjects. President Bloxham noted it has been split.
