ANNOUNCEMENTS AND CORRESPONDENCE

PRESIDENT’S REPORT
President Tingey thanked Senator Perry for setting up the March Madness screenings. He noted that he and Vice President Bastow have compiled a list of ideas for a project ASISU could do. They are considering doing a pancake breakfast in multiple buildings on campus for students. He thinks that they will reach more students by going to the buildings where students go to classes. This event is less about pancakes and more about going to the students. Senator Pitcock thinks they should advertise since some colleges aren’t in one central building. President Tingey noted that they had concerns about everyone just rushing to one building to get pancakes. Senator Kemmerer asked about the estimated cost. President Tingey didn’t know about the cost but they thought pancakes would be less expensive. Senator Thayer had concerns about people not wanting to stop if they are running late to their class. He wonders if they would be able to get enough help to put on the event if it was three hours per breakfast. Senator Beukelman thinks that doughnuts would be cheaper and easier. President Tingey noted that they will be taking ASISU shirts to the last home men’s basketball game. Dance Marathon is a good opportunity to support the LEAD Center and help support students. He will use money from his discretionary to sponsor the teams. He asked if the senators had any other ideas. Senator Perry thought they could buy new chairs for the Bengal Theater. Senator Valencia mentioned redoing the Bengal Café. Senator Knapp thought the gym couches could be replaced. Senator Pitcock thinks they should do a bonfire with the old couches.
