PLEDGE OF ALLEGIANCE

MOVE TO APPROVE THE MINUTES FROM MARCH 5, 2014. T. Bodily/Johnson. Unanimous. MOTION CARRIED. MOVE TO APPROVE THE AGENDA WITH THE AMENDMENT TO MOVE GALLERY BEFORE PRESIDENT’S REPORT AND ADDING BILL 466 TO NEW BUSINESS. Son/Valencia. Unanimous. MOTION CARRIED.

GALLERY QUESTION & ANSWER
1. Tynan O’Neil- He is proposing a four percent decrease to KISU and putting that money into The Bengal’s budget. The newspaper has seen a decrease in newspaper returns and an increase in social media followers. Their online traffic has doubled. They would like to revamp their website. They got a grant to do so, but they had to replace a broken computer. They would also like to increase their student writers and expand their print reach on campus. They would like to do some promotion for their newspaper racks. Senator Pitcock asked why Tynan wants to raise theirs in particular. Tynan noted that revamping their website is The Bengal’s number one priority. If ASISU ever wants to shift the newspaper totally online, they need to build it up. Tynan didn’t see a benefit to students from KISU. They couldn’t give listener numbers for students. Senator Johnson is not totally opposed to the idea, but thinks they are doing fine with the budget they have now. She asked if he had researched the other line items. Tynan noted that ASISU plans on cutting KISU in future, so figured why not now. He thinks they could even cut them the full eight percent. He was not able to sit in on all the budget talks. In the future, they can work on increases to the other line items. Senator Son asked who Tynan talked to. Tynan noted that he talked to Samantha Chaffin, Editor in Chief. Senator Hall doesn’t think there is a problem; The Bengal reaches more students than the radio. Samantha expressed her goals for the paper in her presentation. He thinks it is a good opportunity.

PRESIDENT’S REPORT
President Bloxham noted that the Communiversity Committee met today. They need volunteers, and he encouraged the senators to sign-up. The Idaho House passed the gun bill. ASISU is the only student body to vote yes in the state of Idaho. People are saying that a poll went out to ISU’s students. He has not seen any poll. SBCC will start meeting tomorrow. They are proposing a 3.5 percent increase. He wanted a 0 percent increase. Finance met on Saturday and approved a budget that only cut from student government. President Bloxham has decided to run for an Idaho House seat. Next Wednesday there will be an event under the Hypostyle. He wasn’t planning on doing so for another 5-10 years, but the incumbent left, which doesn’t happen every day. He wants ISU to have a bigger voice in legislature. Senator Daniels would like to see the schedule for Communiversity, so he can tell his clubs about it. Senator Pitcock asked when a pharmacy senator will be appointed. President Bloxham noted that he will appoint one next week. It was getting too close to elections for him to appoint one earlier. He noted that
Senator Valencia has been representing the pharmacy student organizations. He will appoint the senator who gets elected. Senator Hiltbrand noted that the governor signed the gun bill into law.

MOTION CARRIED. They are going to hear another two contingency fund requests next week. He thanked the Finance Committee and all the senators involved in the process. He appreciates Senator O’Neil’s proposal, and while he is not opposed to it, he thinks it should wait until the
future. They decided to cut entirely from student government. One of the changes to the budget will be creating a separate line item for promotional items. There will be a 25 percent reduction to stipends. They also reduced funding to legal advice. Senator Pitcock asked if students use the legal advice. Senator Son doesn’t believe that their ability to use legal advice will be impacted. Senator Pitcock asked what can they get advice on. Eni Thompson noted that they answer questions about landlord issues, divorce, etc. Senator Son noted that they also decided to separate the Bengal Theater from SAB. They took $95,000 that would generally go to theater from SAB’s budget. Separating the budgets would allow the theater to act on its own. They also would like to allocate $40,000 to incentive point funding. They want to increase involvement and increase the point value. Senator Daniels asked about the new club funding amount. Senator Son noted that there will be less money for new club funding. Senator Daniels asked if the movie theater was discussed with Val. Lowell noted that nothing really changes other than it is a separate account. No work is added per se. Senator O’Neil wondered why there were only $42,000 in cuts when they needed $63,000. Senator Son noted that the rest comes out of club funding. Generally they allocate $80,000 but only use $60,000. Senator O’Neil wondered about initial deposit and matched deposits. Senator T. Bodily noted that if the matched deposit pool is used up, they have to say no to clubs. Senator Son noted there is always the potential to use up club funding. Senator Hall thinks they should incentivize clubs who are active. Senator Butler asked if $20,000 will be enough for other club funding. Senator Son noted that only some clubs max out. Initial deposits and new club funding will be given away on a first come, first serve basis. They could run out of money. Senator O’Neil thought they could pull money out of KISU for club funding. MOVE TO EXTEND TIME BY AS MUCH AS IS NEEDED. Butler/Hall. Yeas and Nays. MOTION CARRIED. Senator Valencia noted that matched deposits were dropped so more clubs could access those funds. She doesn’t think initial deposit should be $300. Clubs basically sign a paper and get money. Senator Hudson noted the clubs have to go to workshops too. If all 124 clubs reapply, then they are already at $37,000 which is over the amount allotted. MOVE TO APPROVE BUDGET. Son/Butler. Roll Call.

2. Rules Committee, Senator Harker- Rules is releasing all bills. They are releasing Bill 462 with the amendment to not strike ticket and add candidate. They will write a bill later with the change.
3. Appointments and Reviews Committee, Senator Pitcock- A&R had nothing to report.
4. Outreach Committee, Senator Hiltbrand- He thanked everyone for helping with Dine with a Senator.
5. Communications Committee, Senator Daniels- The T-shirt design contest is up and running. He asked them to get the word out. Instagram is up and running, but it is not running well. Everyone has a list of dates. He shouldn’t have to remind the senators of their dates. They lose credibility if they don’t have anything posted for that day. He also asked them to sign up for ASISU Speaks. Some senators have not liked the Facebook page yet either. Senator Valencia noted that there are already submissions for the T-shirt contest. Senator Hiltbrand thanked everyone for their help over the year with the app.

6. Service Committee, Senator K. Bodily- They will bring forward a resolution for next week. Senator Hudson noted that Service Saturday is this week.

3. Bill 457-Line Item Assignments- Reading by Senator Pitcock. MOVE TO APPROVE BILL 457. Pitcock/James. Objection. Discussion. Senator Pitcock noted that they don’t currently assign senators to a line item. Line items know what to do and it declutters the documents. Senator O’Neil noted that just because they don’t do doesn’t mean that it shouldn’t be done. He thought that KISU might have had numbers ready if they were talked to about it. He thinks it should be restructured instead of removed.
Senator Pitcock stated that they pay staff to do these tasks. Senators might step on toes if they tell them what to do. Senator O’Neil doesn’t tell clubs what they should do and he wouldn’t with line items. Senators should give advice and guidance. Currently, the senators only talk to them when they do budgets. Senator Hiltbrand agrees with Senator O’Neil. It is helpful especially since they set their budgets.
