PRESIDENT’S REPORT
President Bloxham thanked everyone who made it to his announcement. He has a meeting tomorrow about the ‘I’ on Red Hill. Curriculum Council wants to have an interlocking I/S. They also want it visible from the Interstate. He asked if the senators had any feedback. Senator Pitcock noted that most like the interlocking I/S. He doesn’t think that most people will see it as just an Athletics logo. If they were to paint the ‘I’ gold, it would be the U of I logo. Senator O’Neil noted that everyone has been in favor of the interlocking I/S. This is an Idaho State logo. President Bloxham thinks it would be most visible from Chinese Peak. It would have to be a pretty large, and people could hike up to it. Senator Daniels thinks that it would be nice for it to be visible from the community. They already have the pillars on Red Hill. Senator Hall asked about the land. President Bloxham noted that the university, students, and community would have to pitch in. The land is BLM so they would have to work with the government to get permission to use the land. There was also a proposal to put it on the hill next to Red Hill. He thanked everyone for supporting Celebrate Idaho State and James and the Giant Peach. The gun bill was signed by the government. There is an enhanced concealed carry class on April 23. Senator Daniels noted that there is a place in town too that does classes. MOVE TO SUPPORT THE INTERLOCKING I/S FOR THE REPLACEMENT OF THE ‘I’. Pitcock/Daniels. Unanimous. MOTION CARRIED.

The Finance Committee granted some money but feels that they can reach out to other organizations on campus to fund the rest of their request. MOTION CARRIED. Finance also heard from the Society of Automotive Engineers. They felt that it was a well put together presentation. They were asking for just over $8,000. Finance approved $5,000. They want to go to an international Baja car competition. Maxwell Daniels noted that this has been a long process. They build it from the ground up, and they were unable to compete last year. They have done a lot of fundraisers too. This is their last chance or else their program will be cut. Senator Mitu asked if they have plans to get the rest of the money. They are going to ask for more sponsorships. MOVE TO APPROVE THE REQUEST FOR $5,000. Son/Johnson. Roll Call.

MOTION CARRIED. Finance also heard from the Academy of Students of Pharmacy, but their request was denied. Megan Broyles noted that the event is in a week. They were in a financial bind when they came into office. They put what money they had into their programs. The students going will have to pay out of their own pocket if not approved. They just had the Spaghetti Feed. They have 234 fee paying members who depend on the success of their club. To graduate, students need patient care hours, and the club provides opportunities for this. Senator Harker asked how Finance arrived at their decision. Senator Son did not agree with the committee’s decision. They thought that it was not an unforeseen expense. Senator Fuller asked if the senators could reconsider the request. She thinks that they should support the club. Idaho Falls Vice President Thompson noted that he voted against the request. He thinks that ASISU has represented clubs in the past but not students as a whole. He thinks that sending students to a conference in Orlando is fun for the students going, but he has a hard time using student funds to do so. Senator Valencia wasn’t there for voting but she was present at one of the club’s meetings. She asked them to explain what they do. Megan noted that they have different operations or programs. They also represent the Meridian campus students. Their programs include diabetes, vaccinations, cholesterol screenings, meth awareness, and prescription drug abuse among others. They have had international and national representatives. She noted that the conference is not a big party. They are going to miss out on information because they do not have enough students going to attend all of the meetings. MOVE TO EXTEND TIME FOR 30 MINUTES. Hudson/Valencia. Unanimous. MOTION CARRIED. Senator Hudson noted that Finance was split on this decision. Senator Hall would like to know how this club represents ISU. Megan noted that besides bringing back ideas, they are trying to represent ISU in one of the few national leadership positions. Having ISU at the forefront of all pharmacy schools in the nations is huge. ISU is known for being hardworking and being able to stretch a small budget. MOVE TO RECONSIDER THE CONTINGENCY FUND REQUEST TO THE AMOUNT OF $2,225. Bishop/Fuller. Senator Bishop rescinded her motion. MOVE TO APPROVE THE CONTINGENCY FUND REQUEST

Senator Pitcock would like to propose a friendly amendment to strike the ISU fight song. Vice President Jensen noted that they are trying to build ISU pride. This includes singing and knowing the ISU fight song. ASISU follows Robert’s Rules of Order loosely so singing shouldn’t be a problem. Senator Hudson agrees with Morgan. She feels that they bring out the spirit at other events on campus. Senator Harker agrees with Senator Pitcock. Senator Butler likes the changes but he doesn’t like the fight song being in. Friendly amendment rejected. Senator Hall thinks the changes are good. Previous. Roll Call.
