Matt said they do not but he knows someone who wants to start one. ISU has some pretty competitive players though. Senator Bergeson asked if they have any events outside of gaming. Matt said they can hold strategy sessions and watch tournaments. This is something that a hobby club might do. Senator Brown asked if there were any restrictions on who can join the club. Matt said there is no reason why anyone cannot participate. Senator Doupé asked if the club had any goals of integrating the club into the university. Matt said that people are highly interested in playing video games with others. He has already had some in-person meetings and discussions. Senator Dixon asked about the number of club members. Matt has been able to get 10-15 people together per event. Senator Ward said the camaraderie from these gatherings will benefit the university, and he wondered if they will do any community service.
