OLD BUSINESS

1. Resolution 524-Senate Stipend Checklist- When this was passed, the Senate agreed to reevaluate it on the last meeting of the year. Senator Christiaens noted that some of the senators suggested striking event announcements to classes. She feels it is important for the senators to introduce themselves to their classes at the beginning of semester. **MOVE TO KEEP RESOLUTION 524 IN PLACE WITH THE AMENDMENT TO STRIKE CLASS ANNOUNCEMENTS AND REPLACE WITH INTRODUCTION.** Objection. Discussion. Senator Jensen likes the changes but had concerns with it being consistent. He felt like this should be passed as a bill. Senator Brown was glad that the Senate got to try out this resolution. She liked the amendments, because her constituents would like to see the senators be more involved. Senator Woodbury feels that this should be a bill. He also thinks that it is hard to find the time to do everything. The constitution does not state that the senators need to get students to be more involved. He realizes that it is nice to get the Senate involved. Senator Christiaens agrees with him to some extent. It got the senators out and meeting constituents. As far as the events go, they are perhaps just busy work. This is going to be the new senators’ after tonight. The new senate could amend this as they see fit. Senator Doupé stated that the Senate makes legislation. She agrees with this resolution. The extra work is necessary but it is not too much. Senator Brock thanked Senator Woodbury. He appreciates the amendment. The field hour has not benefitted him. He has met some constituents through events. Senator Miklos would get rid of some things. He believes that this is how it should be passed until the Senate Stipend Rule Book is part of the Bylaws. Senator Woodbury noted that graduate students did not care about the announcements. The senators are not obligated to do more because the constituents want it. **MOVE TO PREVIOUS.** Christiaens/Doupé. Roll Call.

29. Bill 432-Student Organizations Retreat Requirement- Reading by Senator Zamora. MOVE TO
APPROVE BILL 432. Zamora/Mitu. Objection. Discussion. Senator Zamora stated that this bill
requires clubs to go to the retreat, which gives them valuable information. Senator Miklos wasn’t
sure this followed the Bylaws. Senator Brown thinks this is good but is asking a lot. Vice
President Zamora thought that this fell in line with the other requirements for the clubs. Senator
Neibaur asked what would happen for clubs that were created during the year. Vice President
Zamora said that new clubs get new club funding not the initial deposit. Senator Christiaens
agrees with Senator Miklos. The purpose of this is to get clubs to interact with one another. This
allows clubs to do so. Senator Doupé thought this was a good idea. It is asking clubs to do more
for less, but at the same time clubs shouldn’t get funding for nothing. Senator Woodbury agreed
with Senator Brown. Previous. Objection. Senator Dixon asked how this violated the Bylaws.
Senator Miklos remarked that it was sent in late. Senator Seeliger noted that new clubs can get
new club funding and initial deposit for the next year. Senator Rollins would like to see some way
they could make up this requirement. Previous. Roll Call.

2. Resolution 527-Student Fees- Reading by Senator Miklos. MOVE TO APPROVE RESOLUTION 516 WITH THE AMENDMENT TO STRIKE FROM PURPOSE LINE ITEMS AND ADDING STUDENT FEES. Miklos/Doupé. Objection. Discussion. Senator Miklos just wants them to communicate with the Senate. The Senate wouldn’t be able to reject them. Senator Christiaens thinks this is great. Previous. Unanimous. MOTION CARRIED.

3. Senator Brock feels like he was deceived in passing Resolution 524. Without his vote, it would have failed, and he was deceived into thinking it would have passed either way. MOVE TO RECONSIDER RESOLUTION 524. Brock/Miklos. Division. MOTION CARRIED. Senator Christiaens doesn’t see why this isn’t being passed. She still thinks that there is value to this. She would rather work on this than kill this. Senator Doupé can see where Senator Brock was coming from. Senator Woodbury stated that the Senate Stipend Rule Book is not actually a governing document, but it governs the Senate. Senator Brock doesn’t want to kill the whole thing. He would like to just revisit this next year. He wants to keep some things. Senator Woodbury didn’t like the events. He didn’t feel like it was that helpful in promoting ASISU. This is primarily enforced by the Chief of Staff. He doesn’t get to use his discretion. Senator Brown said that the
new senators can reconsider this in the fall. Senator Christiaens thought they should pass it with how the current senators liked the resolution. The new senate can change what they want.
