PRESIDENT’S REPORT
President Bloxham asked if the candidates had been reviewed by A&R. There was no President’s cabinet last week. President Bloxham’s girlfriend didn’t beat him up. He got his black eye from basketball. He went on a tour around campus to look at things that could be improved. He noted things such as getting flags for the light poles, waxing the buffalo, repainting the trash cans on campus, covering up some bare walls, and finishing some landscaping by the pharmacy building. He also noted that the old logo is all around campus still. Monday Night Football is coming up. Senator Fuller wondered how many teams were signed up for the Ambush. So far about 86 are registered. Volunteer training is next week in the Heritage Room. He hopes to get 120 teams. He will also be conducting a focus group on improving the race for next year. Senator Harker asked if it is alright for senators tell people who are smoking that it is a smoke free campus. President Bloxham stated that it is absolutely acceptable, but warned senators to be tactful. Senators may also report smokers to Public Safety. Senator Daniels asked if all of the trash cans on campus are going to be repainted. President Bloxham noted that they were. Senator Blanscett stated that a letter came through cosmetology that said they were fining people for smoking. President Bloxham didn’t know that anyone was, but the College of Technology could probably implement their own fines. Senator Gende asked if there would be a kickback to clubs that participate in the Ambush. Senator Bloxham stated that there would, but the amount has yet to be determined. Senator O’Neil asked how they would turn in the form to show they participated. President Bloxham will pass out forms at the club financial workshop.
