The purpose of this bill is to lower the percentage of full time resident fees covered by the ASISU Scholarship.

ASISU BYLAWS
ARTICLE VII—DISTRIBUTION OF ASISU SCHOLARSHIP FUND

Clause 2—The distribution of funds shall be based on figures for enrollment taken at ten (10) day enrollment figures, as supplied by the Registrar. ASISU Academic Sophomore, Upperclassmen, and Graduate Scholarship funds shall be distributed to each college in amounts proportional to the number of students within each college. This will result in each college having an amount of money to distribute, not a number of scholarships. Scholarships will be awarded in amounts not to exceed 50% 25% of full time resident fees. Each College Committee shall provide recommendations for distribution to the student Senate in the amounts proportional to the number of full time fee paying students in each academic class (ie: sophomore, junior and senior), and shall be distributed on the following basis: eighty percent (80%) emphasis on GPA and twenty percent (20%) emphasis on credit accumulation with a maximum of 128 allowed.
