Section 4—Eligibility
Clause 4 – Procedure

Clause 4—Procedure:
A. Requests to ASISU Contingency Fund must include a letter describing the request, signed by the applicant and advisor (when applicable) to be submitted to the ASISU Senate Finance Committee. Requests must also include a budget worksheet signed by the ASISU Financial Technician.
B. Contingency Fund request information must be provided to the Senate Finance Committee with the Finance Agenda, the day before a Finance meeting is to be held. The Senate Finance Committee will then review the request at the next Finance meeting. The Senate Finance Committee will decide whether or not to hear the request, based on the merit of the request with respect to these bylaws. The applicant must be notified of this decision before the next Finance meeting.
C. If the request is approved, the following next Finance meeting there will be a formal hearing by the Senate Finance Committee in which a representative must appear to present the request. If the request is approved by the Senate Finance Committee the Finance Chair will present the request at the next following Senate meeting.
D. A copy of all contingency fund requests approved by the Finance Committee must be sent presented to all senators at caucus for review before voting can take place in the Senate. The proposal is then introduced to the Senate where the applicant must be present. The request must receive a 2/3 vote to be approved.
