The Bengal Solutions Center
for Student Innovation and Economic Outreach
Idaho State University College of Business

The Vision: Our vision is to inspire student innovation and business success in Idaho through funding the Bengal Solutions Center and its Scholars Program. The College seeks to attract and retain high caliber graduate and undergraduate students through offering financial support in the form of graduate assistantships and scholarships. Student benefit from experiential learning, while building their resume and equipping them for successful careers. With the financial support of the business community and individual donors, our vision will be achieved.

Bengal Solutions Scholars: Bengal Solution Scholars provide business advisory services on a project-by-project basis and are selected from our top students currently enrolled full-time in our MBA and/or MAcc programs. The goal of the Bengal Solutions Scholars Program is to provide additional high-level experiential learning opportunities for our students and provide local businesses with value-added advice and analysis from a premier group of students, guided by experienced business professionals and faculty advisors and mentors.

The Invitation: A Leadership Gift
We ask for your support to build and sustain the Bengal Solutions Center for Student Innovation and Economic Outreach. It takes $20,000 annually to fully fund one Bengal Solutions Scholar. We propose the following giving options for your consideration:

1. Named Endowed Scholarships
   - Endowment (4%) Annual Disbursement
   - $3,000,000 6 Students $120,000
   - $2,000,000 4 Students $80,000
   - $1,000,000 2 Students $40,000
   - $500,000 1 Student $20,000

2. Named Annual Scholarships
   - Contribution Annual Funding
   - $40,000 1 student 2 years $20,000
   - $20,000 1 Student 1 year $20,000

3. Bengal Solutions Center Fund
   - Contribution Goal
   - $10,000 Bengal Solution Partner Level $200,000
   - Any Amount

Our objective is to also create a $200,000 pool of funds to provide operational support for the Bengal Solutions Center which would include partial funding for student scholarships, stipends, and faculty mentor support.
