College of Technology
Application for Admission to
Energy Systems Technology and Education Center (ESTEC)
Spring 2017
Priority Deadline: September 18, 2016

Personal Information
Date of Application_________________ ID #:_________________ E-mail______________________________
Name__________________________________________________________
Address______________________________________________________________________________________
City___________________________ State__________________ Zip________
Permanent Address (if different) __________________________________________________
City____________________________________State______________________Zip________
Telephone: Day____________ Home___________________ Cell Phone______________
Emergency Contact Name______________________________ Phone____________________

☐ I am a transfer student from _______________________________________________________
☐ I am/have attended the College of Technology (semester:____________________________)
☐ I have been previously accepted to ESTEC (semester:____________________________)

Minimum Requirements
Applications missing any of the requirements listed below will be considered incomplete and will not be considered or evaluated.

Please check you have met these requirements.
☐ I have applied and have been accepted to or currently attending ISU.
☐ I have paid all application fees to ISU.
☐ I have no transfer work to submit. (If you have outstanding transfer work from other school, it must be received by October 15 for Spring and March 15 for Fall.)

☐ I meet the English requirement.
Test Scores- ACT (18+ English), SAT (450+ Writing) or COMPASS (68+ Writing). Note:
COMPASS Test scores must be within six months of application deadline and taken at the College of Technology or pre-authorized testing center.

☐ I meet the Math requirement.
Test Scores- ACT (19+ Math), SAT (460+ Math), or COMPASS (45+ Algebra). Note:
COMPASS Test scores must be within six months of application deadline and taken at the College of Technology or pre-authorized testing center.

Program Selection
Please make your program selection:
_____Energy Systems Instrumentation Engineering Technology

• If your desired program is full are you willing to consider another program? (circle) Y or N
Background

NOTE: Licensure, certification, and/or employment applications related to some degree programs require students to disclose any history of criminal prosecution which may include the students driving record. Students who have a criminal history are strongly encouraged to meet with the coordinator of the program they are interested in, prior to beginning classes, to discuss potential impediments to licensure, certification or employment.

☐ I would like to meet with an advisor or the program coordinator to discuss my background concerns.

Competitive Entry
Initial admission/entrance into an Energy Systems program will be competitive if the number of applicants exceeds the number of available spaces by the Friday of mid-term week of the current semester. Meeting the minimums does not guarantee admission into a program.

Competitive criteria may be based on:
- Applicant has met the minimum requirements.
- An average of COMPASS test scores.
- A second scheduled COMPASS test at the College of Technology or pre-authorized testing center which scores in Algebra and English will be ranked (applicants will be notified and responsible for test fees).
- Essay
- Supplementary Math Test
- Interview

First Come Basis:
If the number of applicants does not exceed the number of available spaces by the application deadline then it will be a first come basis after meeting all minimum requirements.

Agreement and Signature
By submitting this information, I affirm that the facts set forth in it are true and complete. I understand that if I am accepted to the ESTEC program, any false statements, omissions, or other misrepresentations made by me on this form may result in my immediate dismissal. I have read the Competitive Entry section and understand that no part of this application or minimum qualifications are a guarantee of admittance into any ESTEC program. Any student accepted into a program and does not attend, drops, withdraws or receives less than a C- grade in any program course will be required to petition for an available seat in each following semester.
