ANNOUNCING
Idaho State University's College of Technology Nuclear Education Scholarship Program

Amount: $2,000 per semester for up to two semesters. This scholarship opportunity is limited to students enrolled in ISU's College of Technology Energy Systems Engineering Technology Programs.

Scholarship recipients funded through this U.S. Nuclear Regulatory Commission (NRC) program must maintain satisfactory academic progress (maintain a 3.0 G.P.A. in program of study), be enrolled in ESTEC courses and serve six months in nuclear-related employment for each full or partial year of academic support. A signed service agreement will be required for selected recipients.

Award Period: 2014-2015 Academic Year

Major: Energy Systems Engineering Technology

Class Level: New or continuing students (must be officially accepted into ISU CoT ESTEC program). Priority will be given to those students enrolled in Energy Systems Nuclear Operations Technology. All ESTEC students are encouraged to apply.

Enrolled: Full-time (defined as 12 credits hours per semester)

GPA: 3.0 minimum for continuing students or program acceptance for new students. Compass and/or ACT scores will be considered for acceptance into the program and eligibility for scholarship funding.

Citizenship Required:
Applicants must be a U.S. Citizen or lawfully admitted immigrant authorized to work in the U.S.

Transcript: GED score, high school or most recent college transcript or unofficial transcript with a current class schedule required. If transcript has already been submitted to ISU, please request a copy to be included in your scholarship application.

Letters of Recommendation:
Two letters of recommendation addressing the applicant's academic performance and personal characteristics.
Statement by Applicant:
Include a personal statement addressing your educational aims, career goals in the **nuclear energy industry**, and plans for accomplishment. Please be aware that strong emphasis is put by the selection committee on this section of the application.

Selection Criteria:  Preference given to GPA scores and applicant statement. Financial need will also be considered. All applicants will be reviewed.

**The Scholarship Committee cannot consider incomplete applications.**

Return:  Completed application including monthly expenses and resources and statement of financial condition
Statement by applicant
