MISSION:
Idaho State University’s Division of Health Sciences provides leadership in the delivery of rural health care by educating caring and competent professionals across all dimensions of health and promotes collaborative research and practice in the health sciences.

VISION:
The Division of Health Sciences is a destination site for health profession education.

CORE VALUES:
Professional Integrity - Promoting professional ethical standards and respecting the integrated roles of all health professionals.

Holistic Approach to Health - Emphasizing a comprehensive view of human health, including curative and preventive dimensions.

Collaboration - Recognizing the value of internal and external partnerships through professional and community engagement.

Discovery and Innovation - Seeking new evidence to improve health.

Dedication - Supporting the mission and vision of the DHS.

Excellence - Striving for excellence in all aspects of professional, academic and personal endeavors.

GOAL AREAS:
Goal 1 - To provide high quality programs that are efficient, cost effective, and student oriented.
Goal 2 - To create an environment conducive to inquiry.
Goal 3 - To expand the DHS image as a destination site for health professions education.
