• Roughly 40% PA’s in Idaho educated at ISU
• Over 70% ISU Nurse Practitioner graduates hold Idaho licenses
• 22 student organizations: Volunteer 4,000 hours/$140K
DHS Economic Impact Study

EDUCATIONAL IMPACT

Idaho State University is the only school in Idaho with the following programs of study: Family Nurse Practitioner, Pharmacy, and Physician Assistant. The other programs in this brochure are offered by other institutions in the state of Idaho.

Family Nurse Practitioner

- The first class of Family Nurse Practitioner students graduated in 2010. The College of Nursing offers an accelerated program that begins in the fall of 2012. The College of Nursing is accredited by the Commission on Collegiate Nursing Education.

- The College of Pharmacy is the only one in the state of Idaho. It is located at Idaho State University. The College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education (ACPE). As of 2010, there are 1,300 pharmacists who are employed in the state of Idaho.

- The PA Program at ISU offers students a master’s degree in Physician Assistant Studies. The PA Program is accredited by the Accreditation Review Commission on Education for the Physician Assistant (ARC-PA).

Educational Impact

- The College of Pharmacy has a 100% pass rate on the National Pharmacy Licensing Examination. The College of Pharmacy has a 100% pass rate on the National Board of Pharmacy Exam.

Division of Health Sciences Vision
As the lead health sciences institution in Idaho, our vision is to enhance the quality of life by preparing knowledgeable and professional health care providers.

President

Research Impact
- The DHS has received over $90M in research grants and funding in the past five years.
- Partnership opportunities should be matched to the Taska School of Health Professions and the College of Pharmacy. For their outstanding and comprehensive research activities, the Taska School of Health Professions alone has received over $3 million in research grants.
- Total DHS Research Grants - Part 3 Years
  - College of Pharmacy
    - Taska School of Health Professions: $15,739,879
    - Total: $16,884,136
  - Total: $32,609,017

- Among the many research activities conducted by students and faculty of the TASKA School of Health Sciences, research into the treatment of psychiatric illness, health care management and professional education are priorities.
Recent Developments

• Doctorates in Nursing
  – DNP *(with Boise State)*
  – Ph.D.

• Expansion of the PA program to Caldwell
