HIPPA – Notice of Privacy
Welcome to the ISU Counseling Clinics. The following notice is an introduction to your rights and responsibilities as a client at the clinic. The ISU Counseling Clinics serve dual functions: to provide counseling for the community and to aid in the professional development of counselors and supervisors. All counseling is facilitated by graduate students at the Masters level who are supervised by a counseling professor. All counseling sessions at the ISU-Meridian or ISU-Pocatello Counseling Clinics are video-taped for supervisory and educational purposes.
