<td>Intro to Anat. &amp; Phys.</td>
<td>4**</td>
</tr>
</tbody>
</table>

* Students must complete either HP 0630 or both HP 0130 AND HP 0230 in order to receive ISU credit for HO 106.
** Credits for HO 111 will not articulate into the Medical Assistant or Respiratory Therapist programs. In order to receive credit for HO 111, students must pass a proficiency exam, provided by ISU.

Uniform Articulation of College Credit

1. Awarding articulated credit is a function of the post-secondary institution(s). Articulated courses must meet college course standards and the attached course competencies. Students may be required to complete a college designated competency assessment.
2. Secondary students who desire to articulate credits to the post-secondary program must:
   a. successfully complete at least 80% of designated competencies in the approved course or sequence of courses;
   b. earn a minimum grade of B- for the designated post-secondary competencies in each articulated course; and
   c. be registered for college credit in the CATEMA system.
3. Articulation agreements will be reviewed annually. Changes in the agreement must be presented to both the secondary and post-secondary institution by annual review date. If agreement to amend an articulation cannot be reached, the agreement will terminate at the completion of the school year.
4. By signing this agreement secondary instructors agree to the terms of this agreement as outlined above and maintain a record of articulated courses, provide end-of-course grades, and competency attainment regarding students’ progress using the CATEMA system.
5. Credits included in this agreement are intended to apply directly to the post-secondary program(s) listed above. Credit may transfer to other Idaho professional technical institution programs. Prior to transcription of credits consideration should be given to students’ education and career plans.

Kathy Sawyer, Instructor
Borah High School

Chanel Johnson, Instructor
Boise High School and Timberline High School

Paul Peterson, Program Coordinator
Health Occupations, Idaho State University

Chelsea Wilson, Coordinator
