Idaho Professional Technical Advanced Opportunity Articulation Agreement

Between Idaho State University and Westside High School
Starting Date: Fall 2014

Secondary Program: Welding Technology
Secondary Program ID: 31973
Anticipated Degree: AAS: TC
Post-Secondary Program ID:

*Students must pass a proficiency exam in each area with a minimum score of 74% to receive credit in WELD 0131. Students may transcript credit after their final semester of welding, provided they have passed the proficiency exam prior to the registration deadline.

Uniform Articulation of College Credit

1. Awarding articulated credit is a function of the post-secondary institution(s). Articulated courses must meet uniform common standards and the attached course competencies. Students may be required to complete a profiling test.
   a. successfully complete at least 80% of designated competencies in the approved course or sequence of courses;
   b. earn a minimum grade of B- for the designated post-secondary competencies in each articulated course; and
   c. be registered for college credit in the CATEMA system.

3. Articulation agreements will be reviewed annually. Changes in the agreement must be presented to both the secondary and post-secondary institution by annual review date. If agreement to amend an articulation cannot be reached, the agreement will terminate at the completion of the school year.

4. By signing this agreement secondary instructors agree to the terms of this agreement as outlined above and maintain a record of articulated courses, provide end-of-course grades, and competency attainment regarding students’ progress using the CATEMA system.

5. Credits included in this agreement are intended to apply directly to the post-secondary program(s) listed above. Credit may transfer to other Idaho professional technical institution programs. Prior to transcription of credits consideration should be given to students’ education and career plans.

Jim Summers, Instructor
Westside High School

Randy Humphrey, Program Coordinator
Welding, Idaho State University

Tyler Telford, Principal
Westside High School

Tom Putnam, PTE Transition Coordinator
