BOTANY POSITION  
SUMMER 2010

Are you a student interested in a job in the field in north central Washington for the summer of 2010? The USDA Forest Service, Okanogan-Wenatchee National Forest, Tonasket Ranger District has projects for which we need some motivated students to help complete rare plant surveys. These include areas being analyzed for timber harvest and grazing. Work will begin around late May to early June and end in September.

Qualifications:
- ½ to full time student in good standing with plans to continue education in Fall 2010.
- Plant taxonomy and plant ecology coursework and experience preferred. Must be able to use a flora to identify plants.
- Ability to work outside in diverse field settings in steep and rugged terrain in all kinds of weather. Biting and stinging insects will likely be encountered.
- Willing to work various schedules as needed to meet project goals.
- Have a valid driver’s license.

Compensation:
- Salary based on experience and education ($13.41-$18.59/hr) GS-4 to GS-7.

To Apply:
- Please submit a resume.
- References.
- School Transcripts.
- Proof of Current & Continued Enrollment in Academic Institution – Fall 2010.
